# ABOUT US

**PT Triniti Dinamik Tbk** is a real estate and property developer company in Indonesia. Since the establishment in 2014, two major projects are Springwood Residence with 1,400 units and The Smith that consists of Office, SOHO, and Residential with 652 units. After successfully building two High Rise Building projects, the Company is currently developing landed houses that are integrated with the area, namely the District East project located in East Karawang with a land area of around 26 Ha.

One of the strengths of Triniti Dinamik is the fast speed selling capability. Springwood Residence was able to be sold out in less than 6 (six) months. As for The Smith's sales, until the end of 2023 has reached 85%. PT Triniti Dinamik Tbk is part of PT Perintis Triniti Properti Tbk who also developed projects in Alam Sutera including: Brooklyn, Yukata Suites, and Collins Boulevard, with the total project value amounted to nearly US\$1 billion.

The Company is supported by professional Management who is able to provide high quality premium and high-class project. With the certification of ISO 9001, proper quality system and corporate good governance have been implemented strictly. Therefore, the majority of customers remain satisfied with what has been delivered by the Company through its projects.
